

Our Dentists

Dilip Dudhat
Doctor of Dental Medicine

Dr. Dilip Dudhat is a native of Montgomery County. He graduated from North Penn High School in 1991 and from Temple University School of Dentistry in 1996, at the tender age of 23. Dr. Dudhat worked as a dental assistant and EFDA throughout the dental Schiller, placing him far above his classmates in accumulating practical experience in the dental field. Dr. Dudhat is constantly on a quest for knowledge and he averages 6 times the required continuing education credits mandated for license renewal. However, what really separates Dr. Dudhat from other dentists is his passion and love for the profession and his strong desire to please every patient in his care.

Dr. Dudhat has performed thousands of dental implants. He is a former faculty member for Osstem Implant Training and a premier provider for Invisalign and Lumineers. He also excels in all aspects of cosmetic dentistry.

Aside from Dr. Dudhat's dental background, he is married, and has a son and a daughter who both attend elementary school. His wife is also involved in the family business. He is a sports enthusiast with his favorite team being the Philadelphia Eagles. He also follows the Phillies and the Flyers.

Dr. Dudhat and his staff welcome you to his offices. They are always happy to answer your questions and they strive to meet your dental needs.

If you are looking to improve your smile, Dr. Dudhat is the Dentist for you! Dr. Dudhat is also a premier preferred provider for Invisalign.

Mathew P. Cherian
Doctor of Dental Surgery, BDS

Dr. Mathew P. Cherian practices full service dentistry at Abington Dental Excellence with his colleagues Dr. Dudhat DMD. He has been in practice since 1997 and holds two degrees in dental medicine.
